9. Final Product/Activity: _____
10. Date of Power Requirement (*Month-Year*): _____
11. Total Power Requirement (In MVA): _____

Undertaking of the Proponent

1. I hereby agree that if the electricity is used for any other purpose other than that for which supply is requested for, it shall be considered as an offense and if I, the Proponent is found to be indulging in activities other than the prescribed, shall be liable for penalties as per the prevailing laws of the Kingdom of Bhutan.
2. I undertake to uphold all the laws of the Kingdom of Bhutan and observe all internationally accepted norms, codes and ethics of business.
3. I understand that the issuance of Power Clearance does not guarantee the supply of power.
4. I hereby agree to inform the RGoB of any major change in the power requirement or usage including any need for additional power, for issuance of new Power Clearance.
5. I hereby agree that all the provisions to draw power from BPC's nearby infrastructure shall be arranged by the Proponent.
6. I hereby agree to allow BPC to supply power to other customers from the lines/substation so built by the Proponent, if BPC requires in the future.
7. For MV/HV connection, the Proponent may sign a Capacity Reserve Agreement (CRA) with the BPC and failure to do so within one month from the date of issuance of this Power Sanction shall result in the expiry of the aforesaid Power Sanction.
8. The cost of import of electricity during deficit period shall be allocated to HV industries as per the Domestic Electricity Tariff Policy 2016 or its amendments thereof.
9. The merit of power supply and load shedding if required, shall be as per the order specified in the Sustainable Hydropower Development Policy 2021.
