16. The bid property shall remain disposed off if the "Reserve Price" is met. However, the sealed-bid auction committee reserves the right to dispose off the bid property to the highest

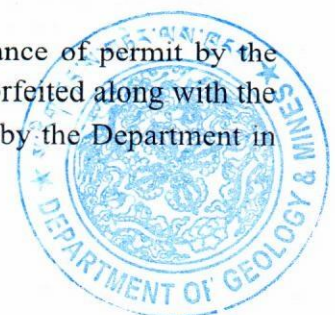

bidder even if the Reserve Price is not met if deemed reasonable and necessary in the interest of time and benefits to the government.

17. The auction committee reserves the right to reject any bid, without assigning any reason and without incurring any liability to the government, and in such cases also reserves the right to re-auction the particular area under dispute or award it to the next highest bidder.

Terms and Conditions of the Auction

1. The Initial Environmental Examination (IEE) Form and Environmental Management Plan (EMP) for **Upper Titikhola** dredging activity (*attached as Appendix I*) contain environmental data, likely impacts from dredging activities and detailed mitigation measures and management plan to minimize the impacts. The winning bidder may update the EMP and submit to the Department for approval prior to its implementation.
2. The winning bidder shall make an upfront payment of **fifteen percent (15%)** of the auctioned amount to the Office of the Chief Finance Officer, Finance Division, MoENR within **Ten (10) working days** from the date of award of the auction.
3. The winning bidder shall submit an unconditional Bank Guarantee to the Department as a security deposit for environmental restoration and mitigation works amounting to **Nu. 210,000/- (Ngultrum two hundred and ten thousand only)** as reflected in the EMP within **Ten (10) working days** from the date of award of the auction as per section 26 (6) of SCRR 2024. The validity of the unconditional Bank Guarantee shall be **90 days** beyond the validity of the Environmental Clearance.
4. In the event, the successful bidder fails to make the upfront payment and unconditional Bank Guarantee within "**ten working days**", his/her earnest money deposit (EMD) shall be forfeited along with the site. In such a case, the auction committee may decide to award the site to the next highest bidder or conduct re-auction in line with section 26 (7) of SCRR 2024.
5. The winning bidder shall sign a Letter of Undertaking with the Department in the prescribed format upon payment of upfront instalment and submission of unconditional Bank Guarantee.
6. The Department shall issue the **Permit** to commence the actual operations of dredging to the winning bidder upon fulfilling the conditions prescribed under clause (3) to (5) of this terms and conditions.
7. In the event, the winning bidder opt to withdraw the bid after issuance of permit by the Department, up front payment (15% of auctioned amount) shall be forfeited along with the site and shall be debarred from two subsequent auctions conducted by the Department in

line with section 26 (9) of SCRR 2024.

8. The Department shall process for Forestry Clearances in their respective name within **30 days** from the issuance of permit.
9. The winning bidder shall make the payment of remaining **eighty-five percent (85%)** of the auctioned amount to the Regional Office, DGM, Gomtu either in Cheques or Cash (*mBoB, mPay, etc*) as per the time schedule indicated below:
 - 9.1. The payment shall be made in 8 (eight) instalments as follows:
 - 9.1.1. 15% (ten percent) of the auctioned amount for the first 2 instalments.
 - 9.1.2. 10% (ten percent) of the auctioned amount for the next 5 instalments.
 - 9.1.3. 5% (five percent) of the auctioned amount for the final instalment.
 - 9.2. The above instalments shall be paid after every 6 (six) months starting from the date of award of the auction.
 - 9.3. In case of default in payment of the installment, a late fine @ 24% (twenty-four percent) per annum shall be imposed on the instalment.
 - 9.4. If the bidder fails to deposit the defaulted instalment along with the penal interest within the period of 45 (forty five) days from the due date, the permit for dredging shall be terminated along with the forfeiture of all advance payment made.
 - 9.5. If the permit for dredging is terminated in line with clause 9.4 of this terms and conditions, the bidder shall be debarred from participating in 3 subsequent auctions conducted by the Department.
10. The dredging activity shall be carried out in line with provisions of MMMA 1995 and its regulations, SCRR 2024, duly filled IEE Form, EMP and any orders issued by the Ministry or the Department regarding the matter from time to time, and also abide by the requirements of all other laws, rules and regulations relating to issues covering the use of other resources, health and safety, communication, power, religious, social, trade, etc.
11. The winning bidder shall be liable for fines and penalties as per MMMA 1995 and SCRR 2024 for any illegal activities and non-compliance.
12. The change of the dredging site shall not be entertained after the auction and the site demarcated by the Department shall be final and binding.
13. The winning bidder shall not hold the Department accountable for limitation in reserves, quality and quantity of the materials within the demarcated site.

14. The winning bidder shall bear complete responsibility for the management of dredging activities, and marketing of the minerals or mineral products produced.
15. The materials excavated and collected from the site shall be allowed for both export and domestic commercials.
16. The winning bidder may supply the stones and boulders to the nearby or affected community at the lower rates as a part of Corporate Social Responsibility (CSR) activity.
17. The winning bidder shall not sub-lease or sublet the auction site as per section 27 of SCRR 2024.
18. The dredging from the auction site shall be confined within the area demarcated by the Department. The winning bidder shall be responsible to erect and maintain visible boundary pillars at their own expense in coordination with the Department.
19. The use of machinery in river dredging shall be confined to removal of materials buried up to a depth of 3 meters and use of explosives or blasting activities shall not be permitted.
20. The winning bidder shall maintain and manage proper channels in the excavated area to ensure the natural flow of water, where necessary in line with the EMP.
21. The winning bidder shall maintain a minimum buffer distance of 200 meters upstream and downstream from bridges; 2.5 meters from river protection works and embankments, where applicable.
22. The unconditional Bank Guarantee shall be solely for the purpose of carrying out mitigation and reclamation activities as per the EMP.
23. The winning bidder shall carry out necessary environmental management and mitigation works as per the approved EMP.
24. The winning bidder must manage and dump the waste materials and rejects generated from the dredging site and in the designated dump yard as per the demarcation map and EMP. If additional dump yard is required, the winning bidder shall identify a suitable location and apply to the Department for approval.
25. The winning bidder shall maintain an up-to-date registry on the quantity of materials collected and dredged, exported or supplied to domestic use, balance stock from their

permitted surface collection and dredging site as per section 124 of SCRR 2024.

26. The winning bidder shall submit a quarterly report of dredging activity to the Department as per the form prescribed under **Annexure VIII** of SCRR 2024.
27. The validity of the dredging permit shall be **five years** from the date of issuance of permit, and extension of the permit shall not be entertained thereafter.
28. The winning bidder shall complete the necessary mitigation and reclamation works of the auctioned site within the validity of the permit including clearing of stocks.

Rate of Mineral levies and other applicable fees and charges

The winning bidder shall pay royalty and mineral rent as follows:

1. Royalty payable **per metric tonne (MT)** of despatch of **stones and boulders (construction material)** and **low-grade dolomite for domestic supply** (subject to periodic revision by the government) shall be **Nu. 2.2** and **Nu. 40 per MT** respectively.
